Information to the board - Looking into how much interest there is by the students to have a golf team. The school would provide the coaches, shirts, and entry fees for the team. Players would be responsible for providing their own golf clubs. Practice may be in Coffeyville or Nowata. May need to look into having a coach specifically for the weight room so that off season athletes can lift weights. The new wind farm may help pay for the communication tower that will be on

campus. KY Cole asked about who was mowing the hay on the schools' property. The softball information on the website needs to be updated.
